

## MAGNIFYING MIRRORS

Our magnifying mirrors are not to be confused with typical, average magnifying mirrors. They are **Optically Correct**. You can see yourself clearly with or without wearing your glasses.

### Surround Light™ Mirrors

Offering the best and brightest illumination available, Surround Light™ provides a distortion-free, glare-free and shadow-free image. Most mirrors are 9" in diameter, with availability in 5X, 7X or 10X optical quality magnification. Most styles come in a choice of chrome or satin nickel metal finish.

## WHY YOU NEED AN OPTICALLY CORRECT MAGNIFYING MIRROR

---

**Do you ever have a hard time seeing in the mirror?** WITHOUT your glasses you can't see what you're doing, and WITH your glasses, you can't do anything with what you're seeing? Well, you are not alone.

---

**As we age, our eyes do not focus the way they used to.** Our magnifying mirrors are designed to help you see, in detail, better than you ever thought possible, with or without your glasses. They are not like other ordinary magnifying mirrors. Most of ours are **"OPTICALLY CORRECT"**.

---

**Is your makeup out of focus?** Do you have a hard time putting on your makeup in the mirror without wearing your glasses? **WE CAN HELP!**

---

**Do you have a hard time seeing to shave?** You don't wear your glasses in the shower, but still need to see what you are doing! **WE CAN HELP!**

---

## We Specialize in Magnifying Mirrors and Magnifiers!
